Acquire a Unified Framework

Goals and Relevance Acquire a Unified Framework

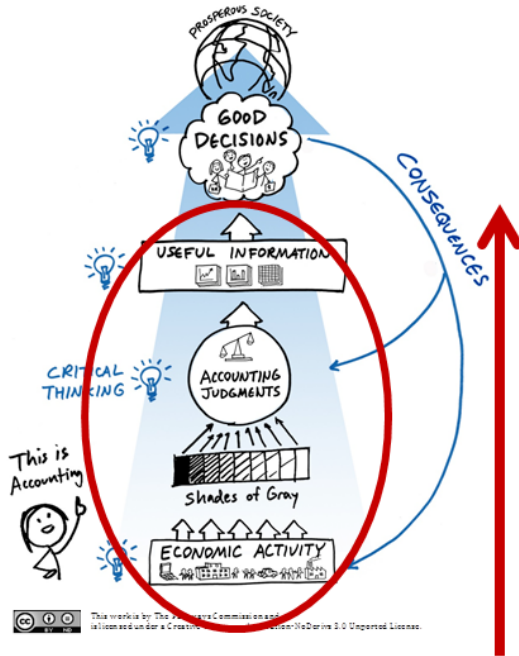

- Help you acquire a broad conceptual framework for understanding and preparing financial, managerial, and tax reports.
- By gaining a deeper understanding of the Pathways Vision Model.
- This framework will serve as a solid foundation for your career and other courses.

Connect Economic Activity to Performance Metrics

Goals and Relevance

Connect Economic Activity to Performance Metrics

- Help you understand how information about economic activities is measured, recorded, aggregated, and affects financial statements and performance metrics.
- This will help you understand how activities you are involved with on the job affect the ways you, your managers, and your company are evaluated.

Become Reasonably Proficient at Using Financials

Goals and Relevance

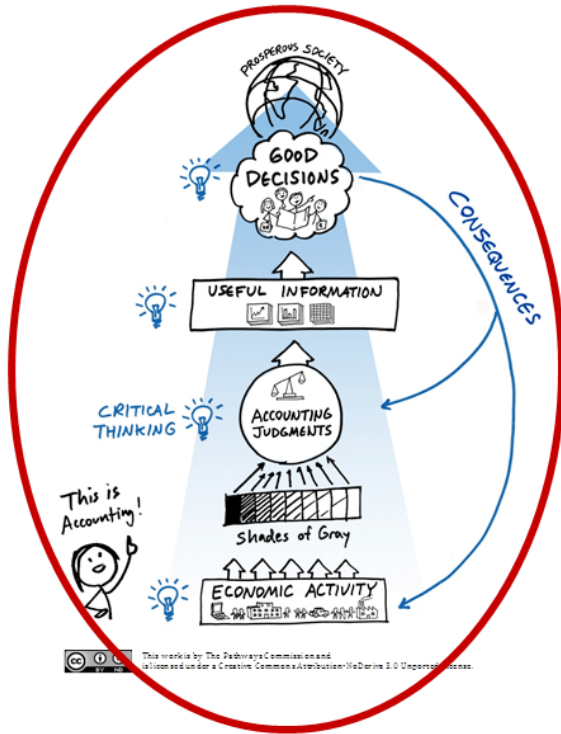

Become Reasonably Proficient at Using Financials

- Help you interpret financial statements and assess their usefulness for your decisions.
- Help you use financial statements and related information to qualitatively assess expected future performance.
- This will help you begin to develop a framework for making good related decisions.
